

## Premium blend

A unique fresh seed mix with dried fruits and vegetables.

A completely natural product with vitamins, clean and fresh seeds, ideal for those who themselves like to add a lot of fresh vegetables, nuts and fruit to their birds diet.

Vacuum packed for optimum freshness when ready to use at your home.

### Nutritional advice

Add fresh fruits and vegetables, grit and a good protein source to create a well-balanced diet for your bird.

Our Premium blends are available for these species:

- **Lovebird**
- **Amazon**
- **Macaw**
- **Eclectus parrot**
- **African Grey**
- **Large parakeet**
- **Cockatoo**
- **Galah**
- **Senegal parrot**

## Natural Balance

A selection and unique mixture of fresh seeds, dried fruits, vegetables and nuts makes a true foraging blend for your birds. Slightly more than half of the ingredients are fresh, selected seeds.

We have vacuum packed this mixture to ensure optimum freshness until ready to use at your home.

This line is developed to cover the daily natural nutrition your birds need, using only fresh raw materials birds love to forage.

### Nutritional advice

For a complete diet it's necessary to add a good protein source and grit.

Natural Balance is available in these varieties:

- **Natural Balance Amazon**
- **Natural Balance Macaw**
- **Natural Balance Eclectus**
- **Natural Balance African Grey**
- **Natural Balance Cockatoo**
- **Natural Balance Senegal parrot**

## Habitat

A unique complete diet. This blend is the only available natural food that is nutritionally a complete diet for your birds!

Vacuum packed to secure the freshness of its quality ingredients.

With more than 50% vegetables, berries, fruits and nuts this food mixture also has a highly appreciated protein source and the best selection of seeds. Grit and minerals are added in a separate sachet.

Ideal for those who want to change over from pellet feeds to a complete natural diet. Habitat contains all the nutritional elements birds need daily and is based on what they normally eat in the wild in their own habitat.

Available Habitat mixes:

- **Habitat Africa mix**
- **Habitat South America mix**
- **Habitat Oceania mix**
- **Habitat Galah**
- **Habitat Agapornis**

Bird food at its best! For bird fanciers who make a conscious choice in feeding their birds. A choice for quality and freshness! Unique foods need optimum attention and care. That is why we vacuum pack them in 1500 gram pouches. Freshness guaranteed!
